NOTIFICATION

Resolution of Agenda Item 2.3 (i) & (iv) of the 2nd Academic Council Meeting

It is hereby notified that the resolutions pertaining to Agenda Items 2.3 (i) and 2.3 (iv) of the 2nd Academic Council Meeting, held on January 5, 2023, have been formally approved.

Accordingly, the Millennium Institute of Technology & Entrepreneurship (MiTE) is pleased to notify the launch and implementation of the Master of Science in Computer Science (MS-CS) program under the Department of Computer Science.

The formal commencement of the program and the induction of students will be subject to the issuance of a formal No Objection Certificate (NoC) from the Higher Education Commission (HEC).

The Department of Computer Science, in collaboration with the Dean and the Head of Department, is authorized to initiate the necessary academic and administrative processes for the commencement of the program.

The department is further requested to ensure that all promotional materials and program handbooks are updated to reflect the approved curriculum and admission requirements for the intake.
